

301.5CR In 2021 With 22L Fuel Tank Used CAT Excavators For Versatile Applications

Our Product Introduction

more products please visit us on used-excavatormachine.com

Basic Information

- Place of Origin: America
- Brand Name: Caterpillar
- Model Number: 301.5CR
- Minimum Order Quantity: 1Sets
- Price: 7000-15000 USD
- Packaging Details: Container,Bulk
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: About 9 units are supplied every month

Product Specification

- Brand: CAT
- Year: 2021
- Engine Model: C1.1
- Gradeability: 30
- Rated Power: 14.3
- Fuel Tank: 22
- Max Unloading Height: 2450
- Max Digging Depth: 2340
- Highlight: **Used CAT Construction Excavator,
301.5CR CAT Excavators,
Heavy Duty Second Hand CAT Excavators**

301.5CR In 2021 With 22L Fuel Tank Used CAT Excavators For Versatile Applications

Product Description:

Our used CAT excavators come equipped with a powerful C1.1 engine, providing a rated power of 14.3 horsepower, ensuring maximum productivity on the job site. With a working weight of 1768 kg, these excavators are able to handle tough and heavy tasks with ease. CAT is a trusted and reputable brand in the construction industry, known for producing high-quality and durable equipment. By choosing a used CAT excavator, you can be confident that you are getting a top-of-the-line machine that will deliver exceptional results on every job.

Technical Parameters:

Brand	CAT
Working Weight	1768 kg
Rated Power	14.3 kW
Engine Model	C1.1
Year	2021
Max Digging Height	3430 mm
Max Digging Depth	2340 mm
Max Unloading Height	2450 mm
Fuel Tank	22 L
Gradeability	30%

Applications:

The Used CAT Excavators are the ideal choice for heavy duty excavations in construction sites. With its efficient performance and high durability, these excavators are designed to withstand the toughest working conditions. Originating from America, these CAT digging machines are known for their quality and reliability. The CAT excavators are known for their flexibility in operation, making them suitable for various types of excavation tasks. Whether you need to dig trenches, foundations, or load material into trucks, these excavators are versatile enough to handle any job. With a maximum digging depth of 2340 mm, these excavators provide precise control and accuracy in digging. This

helps in avoiding any damage to underground utilities and ensures safe and efficient excavation.

Packing and Shipping:

1. Packaging

Our used CAT excavators are packaged with great care to ensure they arrive at your location in the same condition as when they left our facility.

Each excavator is thoroughly inspected and cleaned before packaging to ensure it is in top working condition. It is then securely wrapped and placed in a heavy-duty wooden crate to protect it from any potential damage during transportation.

We also use high-quality packing materials such as bubble wrap, foam, and packing peanuts to provide additional cushioning and protection.

2. Shipping

We offer a variety of shipping options to suit your needs and budget. Our preferred shipping methods include:

Land transportation - We have partnerships with reputable trucking companies to deliver our excavators to your location.

Ocean freight - For international orders, we use reliable shipping lines to transport our excavators.

Air freight - If you need your excavator urgently, we can arrange for air freight delivery.

We also provide shipping insurance to give you peace of mind and protect your investment during transit.

Once your order is shipped, we will provide you with a tracking number so you can monitor the progress of your delivery.

For large orders, we can also arrange for on-site delivery and installation to ensure your excavators are set up and ready to use as soon as possible.

At Used CAT Excavators, we are committed to providing efficient and reliable packaging and shipping services to ensure your satisfaction with your purchase.

F & Q:
